

## 2015 French Open (Paris & Monte Carlo)

My Dear Tennis Friends,

I wanted to let you know about a fantastic tennis playing vacation to Monte Carlo, Paris and the 2015 French Open that I am planning with Chadwick Byrd, the founder and owner of Tennis Ventures.

This is an all-inclusive tennis-playing vacation where we will not only attend the French Open in courtside seats with exclusive lounge access, but also play tennis in Paris and at the prestigious Monte Carlo Country Club. It doesn't get any better than this for us tennis fans. Please check out the highlights of the program below. If you are interested in joining the group, please don't wait too long. Due to the exclusive nature of this program, space is extremely limited.
